Dear Mr Besta & Mrs Ravindra

SUBJECT: Plot 090 Edgewood

We are delighted that you have chosen to purchase a Morris home and trust that the reservation booklet you have been presented with will be beneficial.

It is important you read the contents of your reservation booklet so that you will understand the steps you will need to follow from reservation to exchange. It also gives useful guidance to help you plan your move.

As you will appreciate, the agreed purchase price is strictly for an exchange of contracts by 06/04/16 as per the reservation form signed by yourselves. If contracts have not been exchanged by the agreed date we do reserve the right to re-market the property.

Our Sales Advisor will obviously be liaising with you regarding your purchase, and your anticipated legal completion date, and we would like to assure you that everyone at Morris will endeavour to make the whole transaction as enjoyable as possible for you.

Yours sincerely

Morris Homes Ltd
