**Disclaimer** We make every effort to make sure the points-based calculator is accurate, but it is designed only to give an indication of the number of points you might score. We do not guarantee that the points shown by the calculator reflect the full policy or that they are fully up-to-date. The points-based calculator and accompanying web pages do not guarantee a successful application and should not be taken to mean that you will score the points shown. If you wish to make an application under the Points Based System, you must always refer to the latest relevant policy and guidance documents for the full details. We will make a decision once we have received a full application and supporting evidence. This decision will include calculating the number of points your application scores in accordance with the current rules and policy.
